To whom it may concern:

I Terry Leeson of 23 Driftwood Crescent Seaford Rise had work completed by Greg McDonald during the month of December of 2007. The work involved repairing a roof leak, replacing a damaged ceiling lining and flushing it off, painting a bedroom, and re-siliconing the master bathroom.

I found Greg to be very professional in the way he dealt with me and he undoubtedly respected my home, always keeping his work areas tidy and safe. All Greg's work met my high standards and I would certainly recommend Greg as a reference for future work.

Yours truly,

Terry Leeson
